

COMMUNICATION WITH THE SCHOOL

Teachers and parents communicate with each other via the learner's communication book, which must be signed DAILY by both teacher and parent. For direct communication with the Principal, parents can call or send an e-mail to reception@mcacademy.co.za. An appointment must be made for a meeting. Notices are sent via email or via our Edana Parent App.

About Us

The Academy was started in 1993 by the Grace Community Church. The Academy now has over 50 staff members and over 500 learners.

The Academy is registered as an NPO and is also fully registered with the DOE. We are accredited by UMALUSI as an independent provider of quality education and we are affiliated with the Association of Christian Schools International (ACSI).

OUR CURRICULUM

We follow the National Curriculum, using the CAPS. We offer basic education for grade R (4 turning 5 years before June) up to Grade 12. Our teaching is infused with Biblical Integration in a fully Christian environment. Our teacher pupil ratio is maximum 1:30.

EXTRA CURRICULAR ACTIVITIES

At MCA we offer a variety of extra curricular activities such as soccer, netball, rugby, athletics, swimming, arts and drama, spelling contests and so much more to come in future!

OUR FACILITIES

After Care Facility

This is provided by Grace Aftercare Service at a nominal charge.

Robotics, Media & Science Center

Our school comes with a state of the art science center for our learners. We have a Media Center that develops our learner's computer skills. Our school is also equipped with a robotics room suited for inquisitive minds!
